

LORIN STRATEGIC INTELLIGENCE: PILLAR 2: DEVELOPER OPTIMIZATION

Identification of RAG weaknesses and hallucination risks. These queries require targeted data explanation or re-indexing.

Entity/Topic	Unanswered/Weak Query	Score	Failure Reason
Placement	Who is the specific placement coordinator for the AI/ML department and what is their cabin number?	0.42	Missing Metadata - Directory Info
Hostel	What are the new hostel rules regarding visitor entry for the 2026 academic intake?	0.51	Stale Data - Documentation Gap
Exam	What is the detailed procedure to pay exam fees via UPI using the new student portal?	0.38	Missing Procedure - Technical Doc

STRATEGIC SUMMARY: Immediate priority: Inject placement and hostel procedure docs to close the current 5.8% knowledge gap.
