Context: Details the history, founding, and charitable mission of Mohamed Sathak Trust, the parent body of MSAJCE, including its network of 18 institutions.

Mohamed Sathak Trust - Management

Mohamed Sathak Trust, a charitable and educational organization, was established on 26 October 1973 at Kilakarai, by the Philanthropic Mohamed Sathak Family of Kilakarai, Ramanathapuram District, Tamil Nadu, with the sole purpose of helping deprived people from rural and financially challenged backgrounds to obtain quality education.

The first self-financing engineering college in the country was established by the Trust in 1984 at Kilakarai. From that day onwards, the Trust has been contributing to provide quality education with academic excellence to meet the requirements of industries at national and international levels.

The Trust has an impeccable track record of running quality educational institutions from higher secondary level to undergraduate and postgraduate levels in various disciplines such as Engineering Technology, Arts and Science, Pharmacy, Physiotherapy, Nursing and Medical Sciences. It has 18 educational institutions at present in Kilakarai, Ramanathapuram and Chennai.

The Trust's guiding philosophy: "God will not change the condition of a people until they try to change themselves." The Trust focuses on doing right things without any bias and with a charitable mind to build institutions of academic excellence and help in building the nation.

I invite you to visit our magnificent campus, to witness our state-of-the-art facilities including the Technology Centres, interact with students and faculty, and convince yourselves on why so many bright students have made MSAJCE their choice of institution.

I am confident that you will take pride in joining our college.

Principal Message - Dr. K.S. Srinivasan Ph.D, Principal, MSAJCE

Dear Parents and Prospective Students,

As Principal, I am impressed by the commitment of our management and the faculty for the provision of an excellent all-round education with state of the art facilities to our students so that they become multidimensional rather than uni-dimensional. Acquiring information is no longer the main focus of education; instead the main aim is to build the powers of human mind and spirit. MSAJCE believes in providing our students an environment which is rich in knowledge and supportive for their extra-curricular interests. We evaluate our students on the basis of their physical, mental, social, emotional and intellectual development. MSAJCE is dedicated to developing skilled and outstanding students who can pursue their interest and strength to the best of their ability. Our enriched students will be able to actively face Industry 4.0 challenges as well as build a strong society for a better world. We practice a holistic approach with an enabled new structure that stimulates young minds in terms of innovative and creative thinking with great freedom to learn with different perceptiveness.

I welcome you all and wish a Memorable Studentship. I hope you will be able to achieve greater heights and bring laurels to our Institute.
