1. Department Overview, Vision and Mission

Chunk ID: msajce_sh_chunk_01 | URL: <https://www.msajce-edu.in/sh.php#tab1> | ~370 tokens

Overview of the S&H; department established in 2000, its role in engineering foundation, vision, mission and noted activities.

Department of Science and Humanities (S&H;) — MSAJCE

The department of S&H; was started in the year 2000. This department lays the base for furthering into one's engineering career. Well experienced faculty with four doctorates contribute much in developing and moulding the students in enhancing their knowledge to comprehend the basic subjects for better exposure. Students are guided through with innovative teaching methods to make learning enjoyable. The laboratories available are well equipped to put into practice what the students have learnt in theory classes. In addition to Literary and Debating Club activity, students are also exposed to various activities like NSS, YRC, Physical Education and Yoga. The department holds the responsibility in making student-teacher and parent-teacher interaction possible.

Vision:

To be a centre of excellence for transforming students into proficient engineers through sustainable problems.

Mission:

- M1. Impart fundamental knowledge and necessary skills in Science & Humanities through innovative teaching and learning methodology
- M2. Inculcate critical thinking, ethics, lifelong learning and creativity needed for Industry and Society
- M3. Cultivate the students with all-round competencies, for career, higher education and self-employability

Sample Questions this chunk answers:

- When was the S&H; department established at MSAJCE?
- What is the vision of Science and Humanities department at MSAJCE?
- What is the mission of S&H; department?
- What activities does S&H; department offer students?
- What role does S&H; department play in engineering education at MSAJCE?
- Does S&H; department have NSS and YRC activities?

Keywords: S&H;, science humanities, department overview, vision, mission, NSS, YRC, yoga, literary debating club, 2000, foundation subjects

2. PEOs, PSOs and Programme Outcomes (POs)

Chunk ID: msajce_sh_chunk_02 | ~450 tokens

Programme Educational Objectives, Programme Specific Outcomes and all 12 Programme Outcomes for the S&H; department (referenced under B.E. Mechanical Engineering).

PEOs and PSOs

Code	Outcome
PEO1	Designing mechanical components and systems with creativity and sustainability
PEO2	Use modern tools for critical problem solving and industrial/societal analysis

Code	Outcome
PEO3	Managerial and leadership skills for career and entrepreneurship
PSO1	Apply mechanical engineering knowledge to solve industrial problems using modern tools
PSO2	Develop cost-effective and eco-friendly mechanical components and systems

Programme Outcomes (POs):

- PO1. Engineering knowledge: Apply mathematics, science and engineering fundamentals to complex problems
- PO2. Problem analysis: Identify, formulate and analyse complex engineering problems using first principles
- PO3. Design/development of solutions: Design solutions meeting specified needs with consideration for health, safety and environment
- PO4. Conduct investigation of complex problem: Use research-based knowledge, design of experiments and data analysis
- PO5. Modern tool usage: Apply appropriate techniques, resources and modern engineering/IT tools
- PO6. The engineer and society: Assess societal, health, safety, legal and cultural issues
- PO7. Environment and sustainability: Understand impact of engineering solutions and need for sustainable development
- PO8. Ethics: Apply ethical principles and commit to professional ethics
- PO9. Individual and team work: Function effectively as individual and in diverse multidisciplinary teams
- PO10. Communication: Communicate effectively through reports, documentation and presentations
- PO11. Project Management and Finance: Apply engineering and management principles to manage projects
- PO12. Life-long learning: Engage in independent and life-long learning in the context of technological change

Sample Questions:

- What are the PEOs for S&H; department at MSAJCE?
- What are the programme outcomes for engineering at MSAJCE?
- What are the PSOs for S&H; at MSAJCE?
- How many programme outcomes are there?
- What is PO12 at MSAJCE?

Keywords: PEO, PSO, PO, programme outcomes, OBE, outcomes based education, sustainability, ethics, teamwork, lifelong learning

Carry-forward: S&H; department started in 2000. Vision: centre of excellence for transforming students into proficient engineers through sustainable practices. Mission M1: Impart fundamental knowledge through innovative teaching. M2: Inculcate critical thinking, ethics, lifelong learning. M3: Cultivate all-round competencies for career and higher education.

3. Faculty 2024-2025 and 2023-2024
