Introduction to the MSAJCE Learning Centre (Library) covering area, technology, collection size, and complete stack collection statistics.

Welcome to the Learning Centre — MSAJCE

Library is the Heart of every academic Institution. Our institution encourages all students and staff members to make the best use of the library that has been carefully built up since the inception of the college as a cardinal support service of the Institute. The prime objective of our library is to provide the right information to the right readers at the right time in the right manner by bibliographic sources and full text sources in the form of print as well as digital in the disciplines of Science, Engineering, Technology, Humanities, Management, General and etc.

The collections are kept in separate places such as the stack section, reference section, and Periodical Section to support the scholarly and informational needs of the Institute Community. The library is housed in a spacious area of 8978 Sq.ft (Ground Floor and 1st Floor), fully computerized with more than 29853 books and 1885 reference volumes stacked for the benefit of staff and students. The library subscribes around 35 nos specialized Printed journals and 20 nos magazines. We are also a member of DELNET. J-Gate database is subscribed yearly.

Technology: Bar-coded Technology, open source software called Koha, internet connectivity and WIFI facility are all available.
